Greetings:

It is with great pleasure that we invite all members of our Noble Order, to join us for our second Virtual Annual Northern States District Conference “**Anchored in Faith, Hope, and Charity**” being held April 21-24, 2022. This year’s Conference will be a very exciting and unique Conference as we are following the guidelines of the Knights of Peter Claver Inc to hold it virtually for the safety of our members during these difficult times.

As you know the pandemic is Covid and its variants are still on the rise. With that being said as a result of the survey sent to the members, we heard your concerns and will go virtual again. This year is an election year for all Northern States District (NSD) Officers. All offices are open: Deputy; President; Vice President; Financial Secretary; Recording Secretary; Treasurer; Directress; and Mother of the Courts. Any member of the NSD that is both financial with their Court, and National may run for office. The term for the offices is 2 years.

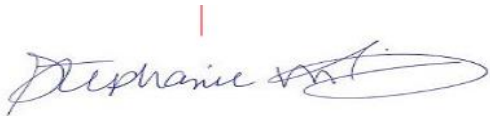

Details concerning the activities and programs for this year’s District Conference are being worked on and will be shared in an upcoming correspondence. We stress the importance of sharing the information with your entire membership, as this is an opportunity for all members to attend, especially those who may not have attended a District Conference ever or in sometime. If you have received this communication and you are no longer the Grand Lady, please forward this information as soon as possible to the new Grand Lady. To add to the success of this Conference, it is imperative that deadlines and expectations are adhered to, without exception.
